CEO's MESSAGE

" We continue to grow in the region, thanks to the continued support of our loyal staff, customers and suppliers.

We take a professional approach to all services we provide and ensure we act responsibly, honestly and respectfully in all aspects of our day-to-day operations.

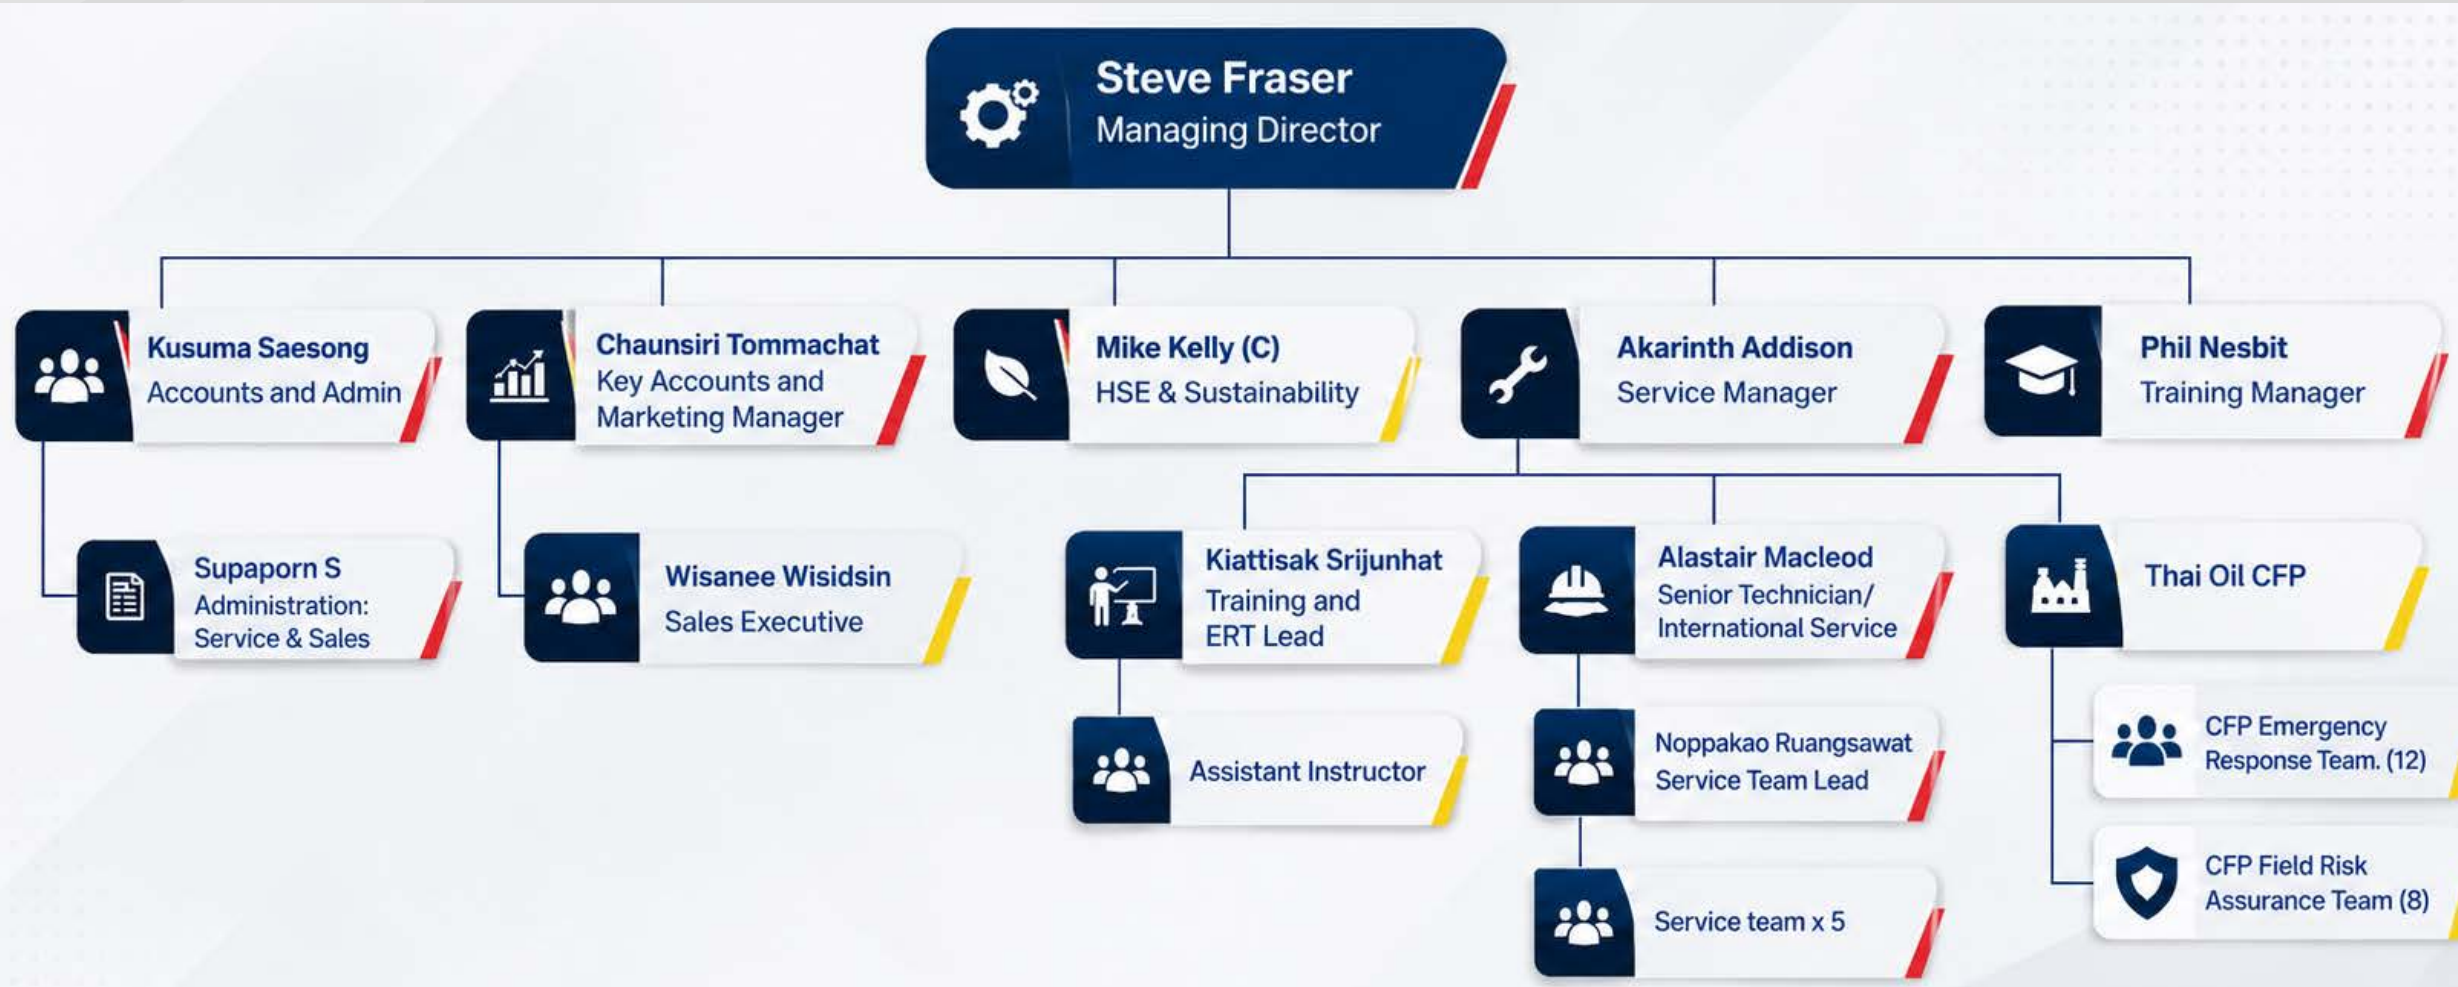

We continue to strive to be the benchmark provider of risk management solutions in Thailand and the ASEAN region.

Steve Fraser

Managing Director

KRP ORGANISATION CHART

OUR SERVICES

1

CONSULTANCY & RISK MANAGEMENT

- Fire Safety Assessments
- Process Safety & HAZOP
- Emergency Response Planning
- Crisis & Risk Management
- Fire Protection System Design
- Incident Investigation
- HSSE Consultancy

EXPERT TEAM

Experienced professionals certified to international standards.

2

TRAINING & EMERGENCY RESPONSE

- Industrial Fire Fighting
- Rescue & Confined Space
- HAZMAT & Oil Spill Response
- Emergency Response Team Training
- Incident Command System (ICS)
- Fire Warden Training
- Crisis Management Exercises

PROVEN EXPERIENCE

Delivering reliable solutions across a wide range of industries.

3

INSPECTION & MAINTENANCE

- Fire Extinguisher Inspection
- Fire Pump Performance Testing
- SCBA Inspection & Hydrotest
- Fire Hose Testing
- Foam Bladder Inspection
- Wet System Inspection
- Fire Truck Inspection

SAFETY FIRST

We prioritize safety, quality and compliance in everything we do.

4

FIRE PROTECTION & SAFETY EQUIPMENT

- Fire Suppression Systems
- Fire Fighting Foam
- SCBA & Air Cylinders
- Gas Detection Systems
- Alcohol Breathalysers
- Rescue Equipment
- Oil Spill Equipment
- Wildfire Protection Solutions

END-TO-END SOLUTIONS

From consultation to after-sales service, we are your trusted partner.

5

EMERGENCY RESPONSE SUPPORT

- 24/7 Emergency Call Out
- Stand-by Emergency Teams
- Full-time ERT Support
- Oil Spill Response
- Tank Fire Response
- Well Control Support
- Specialist Hazard Response
